

PRETTY CORNER WOODS, SHERINGHAM, NR26 8TW

OPENING TIMES: 24 hours
DISTANCE: 1.5 miles
ENTRY FEE: Free

The aptly named Pretty Corner is a stunning 165-acre woodland area, which is part of a larger network. The Green Flag Award winning woods are a wonderful place to explore, learn and be creative for both adults and children alike.

From the range of trees, to the many types of wildlife, there's something for everyone to enjoy at Pretty Corner Woods. There are several different routes available - the blue route the DRAGONS took was deemed accessible but the red route was a little steeper and may not be suitable for wheelchairs.

Parking is available and free of charge, and the tearoom which offers a selection of snacks and drinks is just a stone's throw away.

THE DRAGONS SAY:

*"The blue route was fine for wheelchairs."
"I really like the woods as they were not too thick."*
