

Points of interest

1
Snettisham Memorial Hall was built in 1888 after the residents of Snettisham village raised £500 by selling £1 shares. They were commemorating the Golden Jubilee of Queen Victoria. £1 was worth a lot more back then!

2
The sports field has a picturesque view of St. Mary's Church. It hosts everything from cricket and football matches to the annual village fete and popular car boot sales.

3
As well as being a centre for Christian worship for over 700 years, the church holds regular concerts, recitals and other events which attracts visitors from all parts of the community.

About this walk

This out and back walk is approximately 0.92km along a pathway of a quiet village road, giving you the opportunity to take in the playing field, St Mary's Church and Memorial Hall.

This walk has features designed to be accessible for people living with dementia:

- **Flat hard surfaces underfoot**
- **Wide walkways**
- **Sheltered seating at start location and in church**
- **Outside seating near church**
- **No steps**
- **Refreshments at start point and at church**
- **Toilets at start and within the church**
- **Parking next to starting point, disabled bays, pay & display**

Experience more on your walk

Using our senses when we walk can help us connect with the world, jog our memory, and spark a conversation. Can you use all your senses on this walk? Here are some examples:

- **Listen:** Can you hear any birds? What do they sound like?
- **Smell:** What can you smell? How does it make you feel?
- **Sight:** Look up, look right, look left. What do you notice?
- **Touch:** Stop and touch something on your walk. Is it hard or soft? Rough or smooth? Warm or cold?
