

## SPACE

How will you actively seek their views?  
How will you make the space as safe as possible?  
How will you ensure all children can take part?

Have all children had the information to form their view?  
Have they understood they don't have to share?  
How have a range of options been provided?

## VOICE

Youth Voice at

based on the  
Lundy Model

## AUDIENCE

What is the process to share their views?  
Do they know who will hear their voice?  
Will the person receiving be able to make decisions?

Were their views heard by those who make change?  
Do procedures ensure the views are taken seriously?  
Will CYP get feedback on decisions taken after?
