Remuneration	£25,000 - £29,000
Post details	Full Time – 37 hours per week Permanent
Reports to	Deputy Chief Executive
Location	Flexible; Offices located in Bournemouth, Weymouth, Dorchester
Deadline for applications	4 th October 2020

About us

In recent years we have developed a strong track record as a trusted collaborative partner working to embed physical activity in health systems in Dorset. We have received both regional and national recognition for our work in health. This is an exciting time to join us as we look to expand our team leading this work. We have a fantastic opportunity for the right person to join our team and help us deliver our expanding health and physical activity work programme.

Active Dorset are one of 43 Active Partnerships (APs) across England, funded by Sport England primarily via exchequer and national lottery funding. We are a forward thinking, innovative Active Partnership, delivering Sport England's 'Towards an Active Nation' strategy through a system change approach.

We work with partners across the county, seeking system changes so that physical activity is embedded in the business of our partners and it becomes the norm for them to support people to be more active. Our 2020-25 strategy places system change at the centre of our approach to increasing physical activity levels in Dorset.

We are looking for an enthusiastic, energetic, driven individual to join our team, who has following key attributes:

- **A positive can do attitude**
- **A personality to build positive relationships and influence system partners**
- **An ability to pick things up quickly and grasp complex, wicked problems**

About the role

As a member of team focussing on our health programmes you will work closely with four key partner organisations; LiveWell Dorset, Public Health Dorset, Dorset CCG and Dorset ICS. You will play a key role in seeking opportunities in local health systems and care pathways where we can embed physical activity and behaviour change through a system change approach.

Key duties will include:

- Building relationships with partners/stakeholders and identifying key contacts.
- To organise and deliver successful wellbeing and 'Picnic in the Park' events in partnership with the Local Nature Partnership and Stepping into Nature.
- Establishing and maintaining relationships through regular communication via phone, email and virtual meetings with key project partners and local stakeholders.
- To support the project manager to deliver the project plan meeting key deadlines and timescales.
- To keep accurate records, providing regular updates/information as required for reports and monitoring.
- Working with local providers of social prescribing and health coaching to embed physical activity in their services.
- Identify opportunities to embed physical activity in primary and secondary care pathways.
- Planning and organising regular training courses across the county, for both professionals and volunteers. To include Royal Society of Public Health training courses and PHE clinical champions training courses.
- To improve the physical activity pathway in the LiveWell service, identifying training needs and to actively promote the service.
- Play a positive role in seeing that Slade's pavilion is an accessible and usable facility for all park users and a vibrant hub of physical activity. This role includes opening and closing the facility on a rota basis, general duties such as answering queries from pavilion users, and supporting clubs and organisations to activate the park.

Job location;

- The successful candidate(s) will spend time at Active Dorset offices in Bournemouth but will also be required work at partner sites; LiveWell Dorset in Weymouth, Public Health Dorset and Clinical Commissioning Group offices in Dorchester.
- We are fortunate enough to work from Slades Pavilion in Slades Park a fantastic green open space with office views of the park and plenty of opportunity to fit some activity into your working day.
