What do I need to do?

Schools should:

1. Offer 2 hours of high quality PE per week
2. Ensure that staff delivering PE are suitably qualified
3. Offer a broad range of extra curricular sport & physical activity to meet the needs of all students
4. Ensure all Year 6 pupils are able to swim 25m
5. Ensure that competitive sporting opportunities are offered to all students at their level
6. Signpost pupils to local community sports clubs
7. Promote 60 minutes of physical activity a day as part of a healthy lifestyle
Why is it important?

High Quality PE, sport and physical activity is proven to improve and promote:

1. In-class cognitive functions that can impact attainment including concentration, memory and perception
2. Classroom behaviours
3. Emotional wellbeing, having a positive impact on self esteem, anxiety, depression and mood
4. Attendance, school connectedness and satisfaction
5. Positive social behaviours including leadership, morality, social integration and responsibility
6. You need to evidence impact to Ofsted for your PE and sport premium
7. A healthy lifestyle and can reduce the risk of obesity, diabetes and other health conditions

What support is available to help me achieve this?

| Norfolk Integrated Education Advisory Service (NIEAS) | Norfolk County Council through NIEAS offer a range of advise, training and support for schools to impact on the quality of the experience and entitlement which pupils in Norfolk schools receive. Norfolk PE through NIEAS offers a fully progressive developmental CPD programme for teachers from Levels 3 – 6, these are all accredited and quality assured courses that will support your staff to be confident and competent to deliver High Quality PE and sport. | kevin.holland@norfolk.gov.uk
